

Scottish Clinical Imaging Network – Special Interest Group Reporting Template:

Name of SIG	Breast Imaging Special Interest Group	
Date of Update	25/11/2022	
<p>SIG Meeting update:</p> <p>Since the newly appointed (June 2022) Office Bearers have been in position, the first meeting was scheduled for Friday 25/11/2022 2-4.30pm and has taken place through Microsoft Teams. The aim of the group is to schedule meetings bi-annually. The newly appointed office bearers are as follows:</p> <p>Chair- Patsy Whelehan - patsy.whelehan@nhs.scot (NHS Tayside) Vice Chair - Alice Dewar - alice.dewar@nhs.scot (NHS Grampian) Secretary - Lyndsay Wight – lyndsay.wight@nhslothian.scot.nhs.uk (NHS Lothian)</p> <p>Aims/topics covered in the meeting:</p> <ul style="list-style-type: none"> - Introduced the new office bearers, brief overview of speakers and the purpose/aims of the group - A talk from Julie Rankin - Taken over from Maria Murray who helped set up the SIG. Julie talked about her new role and what she can do for the Advanced practice in breast with a mixed discussion with the group – providing her email for anyone who has further questions and allowed for extensive discussion with the group. - Dr Daina Basko (NHS Grampian) gave a very interesting presentation on B3 lesion management, Large Volume Excisions (LVEs) and the small trial. - The group then had time to discuss any clinical or professional issues within their NHS board/breast service. <p>This may provide us with aims to improve the service or an area for discussion at the next SIG meeting. This allows various health boards to have a good discussion and compare practice.</p>
